## **POOL ACCESS AND TEAM CHECK-IN:**

Team check in for the meet to collect your team packs will be available on Thursday, February 1 from 10 am until 5 pm. This will allow you to get your team pack including your team credentials, parking pass, relay cards and other meet materials the day before the meet, as well as pay you meet entry fees if you have not done so already. This will take place at the back entry to the CRC along Tech Parkway. If you get your team pack on Thursday make sure your athletes and coaches enter the facility on their first day of competition with their credentials in hand.

Teams should enter the facility via the back door along Tech Parkway, please **DO NOT** try to enter the facility via the front door of the building. Teams are requested to come through the team check in area as **one team** with a coach to supervise the check in process. Please do not instruct your swimmers to arrive and enter the building whenever they like.

If your team does not check in until Friday, team check-in will be done in the back hallway of the pool deck level of the facility. There will be 3 check-in tables, separated alphabetically by team, as well as a diving only table specifically for divers and their coaches. At check in your team will receive their meet pack including the following: team credentials, parking pass, heat sheets and relay cards as well as pay your entry fees if you have not done so already.

A list of your credentialed personnel (coaches, athletes, and managers, will be posted on ghssca.com by the Tuesday of the meet. Please review this list for any omissions and notify the meet director as soon as possible so that your check-in can run as smoothly as possible. This process will apply for prelims as well as finals. Teams will be asked to provide the number of people with their team (this includes athletes, coaches and managers) upon check-in. If this

# 2018 GHSA State Swim and Dive Meet Information

number is greater than the number on our list your team will be billed for the additional personnel at the rate of regular paid admission.

## CERTIFIED COACHES:

All teams must submit a full roster of their coaching staff to the GHSA by January 15. This list may be submitted via the following link: Access to the Coaches Name Submission System is restricted – users must login to the GHSA MIS website (<http://app.ghsa.net>) To begin, click the Coaches link on the School menu – the coaches list for your school is displayed. As a starting point the coaches appearing in the school directory are loaded

All coaches must also complete the required GHSA rules clinic and be on the GHSA authorized coaches list or be subject to a fine from the GHSA. A list of approved coaches will be published on [ghssca.com](http://ghssca.com) and will be mailed to teams prior to the meet.

**COACHES MEETING:** A mandatory coaches meeting will be conducted 45 minutes prior to the start of each prelim session in room 147. This is located in the back hallway of the deck level of the aquatic center near the area for team check in. A member of your coaching staff must be present at this meeting.

**CREDENTIALS:** Per GHSA rules you will be provided credentials for all of your qualified participants, up to 4 male and 4 female relay alternates, as well as approved coaches on the GHSA swimming and diving list, and up to 2 additional team staff members (trainers or managers). Additional staff credentials can be obtained via the entry process and including those individuals on your state team roster. The deck will be for swimmers and credentialed team personnel only, please remind your swimmers the importance of keeping their credential if they leave the deck.

The only individuals allowed on deck will be participants, coaches, volunteers, and credentialed meet officials. Access to the deck will be monitored by meet workers and security. Please help us police this policy and instruct any parents or students not participating in the meet to remain upstairs in the spectator area. This will allow the swimmers to better access the blocks for their events and should minimize swimmers missing races. **Athlete and Coach credentials may only enter the building via the back entrance to the CRC. Those credentials will NOT be accepted at the front of the CRC, where spectators enter the building.** Persons caught trying to pass their credential to an unauthorized person will be subject to ejection from the facility and will be referred to the GHSA for disciplinary action.

# 2018 GHSA State Swim and Dive Meet Information

**TEAM AREAS:** Teams may sit on the deck in any of the designated team areas. **If teams elect to sit in the upper seating areas, they are requested to sit in the seats above the diving well only. Please leave the spectator seating areas over the competition pools for spectators.**

This allows spectators to have the prime seats to view competition. Teams may NOT set up their team areas in the hallways off the pool deck. Please only take the space your team needs for your swimmers. Teams may NOT bring tents, grills, flat screen televisions of any kind into the facility. Teams are welcome to bring team signs, but we request you use blue painter's tape or zip ties only to hang your team signs. Please do not use masking, scotch, athletic or duct tape to hang your signs. Damage caused by use of anything but blue painters tape will be the responsibility of the offending school.

## **PROOF OF PERFORMANCE AND MEET ENTRIES:**

To be eligible to compete in the state meet swimmers and divers must meet the qualifying standard for the event they enter. That time/score must be achieved in a GHSA meet during the 2018 season and must be submitted to as a verified performance. Coaches shall submit all of their Proof of Performances on the Georgia High School Swimming Coaches Association (GHSSCA) web site found at GHSA MIS website (<http://app.ghsa.net>). Please refer to <http://ghsa.net/ghsa-constitution-and-laws#swimming> of the GHSA "White Book" for full details on the entry and proof of performance process. For questions or concerns about State Meet eligibility and procedures for diving, contact the State Diving Coordinator, Vicky Sanchez Tuymers, ([GHSA\\_diving@hotmail.com](mailto:GHSA_diving@hotmail.com)). **The coach must make the actual entry for the swimmer to compete in the State Meet on the GHSA MIS website (<http://app.ghsa.net>) Friday, January 26, 2018 at 4:00 p.m.** Late entries will not be accepted for the meet. Once the meet entry deadline has expired changes will NOT be allowed to entries. Please check your entries carefully and print a copy for your records. **FAILURE TO FOLLOW THESE PROCEDURES WILL RESULT IN YOUR SWIMMERS NOT COMPETING IN THE STATE MEET.**

## **ENTRY LIMITS**

Per NFHS rules governing championship meets athletes are limited to a maximum of 4 events, of which no more than 2 of those events can be individual events. Schools are limited to a maximum of 4 individuals per individual event and 1 relay per relay event.

# 2018 GHSA State Swim and Dive Meet Information

## **TEAM ARRIVAL AND PARKING -**

Please follow these steps carefully, as it will help limit congestion and confusion. Teams will receive one parking credential per team with their team pack. Vehicles parked on Tech Parkway, Hemphill Ave., Wallace Street, Atlantic Station satellite lot or any of the designated surface lots along Marietta St. without a parking pass will be ticketed, booted or towed. A full diagram of parking and the area around the pool can be found at [ghssca.com](http://ghssca.com) and selecting State Meet Info and then selecting 2018 Parking Maps.

**Team Drop Off** - Team drop off will still take place on Tech Parkway by the back entrance to the pool as it has in years past. With that side of Tech Parkway being 2 way traffic now teams are required to approach the building from the south when bringing their athletes to the pool. You will not be allowed to access Tech Parkway from Northside Drive travelling south. You must enter Tech Parkway either from North Avenue or Means Street. We will have a map diagramming this out shortly on [ghssca.com](http://ghssca.com) and will e mail it to you as well. Bottom line, plan some extra time to get your athletes to the pool the day of the meet (specifically prelims) as it will be very congested.

**Large School Bus Parking** – Full size school busses will have to park farther away from the CRC than year's past. Large school busses must park in either of two locations; either Hemphill Ave. or Atlantic Station. Hemphill Ave. is close enough to the pool to walk, however Atlantic Station is 1.5 miles from the pool. There will be a shuttle that will run from the Atlantic Station lot back to the pool, estimated trip time will be from 10-15 minutes from one location to the next. Note, this shuttle will NOT pick up drivers along Hemphill Ave, it will only go directly from Atlantic Station to the pool and back. With that in mind, we strongly advise teams to have a driver lined up for those full size team busses so that coaches can remain with their athletes. As a courtesy to teams whose team bus is actually driven by the swim coach, please only park on Hemphill Ave. if you are the only coach for your team and you're actually driving the team bus. If you have a separate bus driver, please have them use the Atlantic Station lot.

**Mini Bus Parking** – Parking for these vehicles will take place at the north end of Tech Parkway past the team dropoff area, as well as on Wallace Street. Overflow parking for these vehicles can try Hemphill Ave. as a third option. If all else fails, these vehicles should go to Atlantic Station and use the shuttle to return to the pool. Again, the shuttle trip time will be about 10-15 minutes each way, so plan accordingly. With that in mind, we strongly advise teams to have a driver lined up for those mini busses so that coaches can remain with their athletes.

**Parking for Personal Vehicles for Teams and Volunteers** - If you are using a personal vehicle (car or SUV) this will not impact you significantly as you will have access to the normal parking areas along Tech Parkway we have used in the past, this should be your first option to park. We also have overflow spots in the marked surface lots along Marietta Street marked W04 and W06 on the parking map.. Please use the spots on Tech Parkway as your first option though. As I mentioned, a large number of our regular parking spots are no longer available, so carpool if possible as those spots will be gobbled up quickly.

**Spectator and Non-credentialed Vehicles** - Spectator, athlete, and extra team vehicle (car or SUV) parking will be allowed across from the front entrance of the building (signs will point you in the direction you need to go), for \$15 per vehicle/session. Advance parking can be purchased for a discount at <https://gatech.clickandpark.com/events>.

# 2018 GHSA State Swim and Dive Meet Information

**MERCHANDISE:** Team IP will be on site with official championship apparel and swimming related products. Merchandise will be available on the spectator level of the pool in the classrooms across from concessions.

**PHOTOGRAPHY:** Only credentialed media and press will be allowed on deck during the meet. School photographers may request a press pass from the meet director (see details below), personal team photographers will not be allowed on deck during the meet. Flash photography in the spectator area is not allowed. The GTAC is equipped with broadcast level lighting, flash photography is not needed. Those failing to comply with this request are subject to removal from the meet.

## **School Yearbook Photographer or Videographer:**

If your school is planning on sending a staff member from the school's yearbook staff to the meet, please submit their name

via <https://docs.google.com/a/atlantaswimming.com/forms/d/1gyP0RO49tISGif-VTw8YixFiAXL8Ktw9wyatP9O-3rQ/viewform?c=0&w=1> . One (1) photographer or videographer will be considered per team, but not guaranteed. There are a limited number of passes that will be issued on a first come-first serve basis. No requests will be taken onsite. When approved, your photographer will need to enter the building at the front and proceed to the GHSA Pass Gate, *purchase a ticket to the event*, present their ID and will be given a photo pass with deck access. Each pass is only good for one (1) session. Photographers must stay behind the ropes at all times and are not allowed behind the blocks or on the bulkheads.

## **All American Diving Videographers:**

Divers trying to gain All American Status may have one (1) videographer on deck during their competition. The videographer's name must be submitted via <https://docs.google.com/a/atlantaswimming.com/forms/d/1gyP0RO49tISGif-VTw8YixFiAXL8Ktw9wyatP9O-3rQ/viewform?c=0&w=1> in advance. When approved, your videographer(s) will need to enter the building at the front and proceed to the GHSA Pass Gate, *purchase a ticket to the event*, present their ID and will be given a videographers pass with deck access. Videographers must stay in the designated area at all times and are not allowed anywhere.

RiverOak Photography is the official state meet photographer.
